

Alexander Nubia Provides Update on Drilling Program Start Date, Appointment of New Exploration Manager

February 29, 2016 - Alexander Nubia International Inc. (TSX-V:AAN) (the "**Company**") announces that Capital Drilling (LSE:CAPD) notified the Company today that due to unforeseen delays in the mobilization of their drilling rig, the resource drilling program on the Company's flagship Hamama project is now scheduled to begin on or before March 25th, 2016.

The Company is pleased to announce that Mr. Rick Cavaney, a veteran exploration geologist, will be coming to Hamama to act as the Company's the interim Exploration Manager, succeeding Danae Voormeji, who has left the Company. Mr. Cavaney, had worked as an exploration manager at Centamin's Sukari project in its exploration phase and is familiar with the Company's Abu Marwat Concession and in particular the Hamama project area. The Company wishes to thank Ms. Voormeji for all of her efforts on its behalf.

The Company also announces the appointment of Magdi Buckla its Financial Controller in Egypt. Mr. Buckla will report directly to the Company's CFO Justin Blanchet.

About Alexander Nubia International Inc.:

Alexander Nubia (TSX-V: AAN) is a focus gold exploration company working in Egypt exploring for and developing of economic gold deposits in the Central Eastern Desert of the Arabian-Nubian Shield (ANS). The Company's 100%- owned concessions, Abu Marawat and the Fatiri, combined cover 2,772 square kilometers of underexplored ground. Evidence of gold on the concessions dates the many surface workings to pre-historic (Copper Age) and Old Kingdom (Pharaonic), through Ptolemaic and Roman and into Early Arab times. Several historic gold mines and numerous gold showings and gossans occur within the two concessions.

The Company's land package is located some 400 km southeast of Cairo and is enhanced by expanding infrastructure, including access to highway and railway right-of-way, a high-capacity electricity grid, and nearby major cities; Qena, on the Nile River, and Port of Safaga, on the Red Sea, only 50 km to the East.
