ATON RESOURCES INC.

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Aton Resources Inc. (the “**Corporation**”) for use at the annual and special meeting (the “**Meeting**”) of holders (collectively, the “**Shareholders**” or individually, a “**Shareholder**”) of common shares in the capital of the Corporation (“**Common Shares**”) to be held at the time and place and for the purposes set forth in the attached Notice of Annual and Special Meeting of Shareholders (the “**Notice**”). The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

Except as noted below, the Corporation has distributed or made available for distribution, copies of the Notice, the Circular and form of proxy or voting instruction form (if applicable) (the “**Meeting Materials**”) to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation has elected to pay for the delivery of the Meeting Materials to objecting Beneficial Shareholders by the Intermediaries. The Corporation is sending proxy-related materials directly to non-objecting Beneficial Shareholders, through the services of its transfer agent and registrar, Computershare Investor Services. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Meeting Materials. The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the Meeting Materials to registered Shareholders or Beneficial Shareholders.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation’s transfer agent and registrar, Computershare Investor Services, 3rd Floor, 510 Burrard Street, V6C 3A8 not later than the close of business on Monday, July 24, 2017 or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his, her or its attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder’s attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:

- (i) at the registered office, 1700 – 666 Burrard Street, Vancouver, BC V6C 2X8, at any time up to and including Monday, July 24, 2017; or
 - (ii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares, or non-objecting beneficial owners whose names has been provided to the Corporation's registrar and transfer agent, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (referred to in this section as "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Corporation to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instruction forms or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting

instruction form from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the management form of proxy or voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.**

All references to shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

NOTE TO NON-OBJECTING BENEFICIAL OWNERS

The Meeting Materials are being sent to both registered and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed the close of business on Wednesday, June 21, 2017 as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 183,637,743 Common Shares carrying the right to one vote per share at the Meeting were issued and outstanding.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, the only persons who beneficially own, or control or direct, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to the Common Shares are as follows:

Name	Number of Shares Owned (Percentage of Class and Type of Ownership)	
	Common Shares	Percentage of Voting Rights
OU Hektik ⁽²⁾	36,673,077	19.97%
OU Moonrider ⁽²⁾	36,221,154	19.72%

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The general objectives of the Corporation's compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; and (c) attract and retain highly qualified executive officers.

Elements of Compensation

Base Salary

Each Named Executive Officer (as such term is defined below) receives a base salary, which constitutes a significant portion of the Named Executive Officer's compensation package. Base salary is recognition for discharging day to day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's base salary is reviewed by the board of directors of the Corporation (the "**Board**") on an annual basis and may be adjusted to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years. Beginning in fiscal 2015, the Corporation has the discretion to pay such Named Executive Officer's base salary in cash or a combination of cash and Common Shares. The number of Common Shares issued to such Named Executive Officer will not exceed 50% of the base salary in any given year. No Named Executive Officers received payment in Common Shares in 2016.

Annual Performance Bonus

The Board may also set, throughout the year, discretionary annual performance bonuses to serve as incentive mechanisms to reward officers for reaching strategic objectives and short-term goals. The annual performance bonus is designated to encourage the attainment of particular corporate goals and objectives, or for the Corporation's financial performance. No annual performance bonuses were awarded in fiscal 2016.

Stock Options

The Corporation's directors, officers, employees and consultants, if any, are eligible under the Corporation's stock option plan (the "**Stock Option Plan**") to receive grants of stock options. The Stock Option Plan is an important part of the Corporation's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of the stock option grants to officers and directors is dependent on each officer's and director's level of responsibility, authority and importance to the Corporation and to the degree to which such officer's or director's long term contribution to the Corporation will be key to its long term success.

The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Stock Option Plan aligns the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Corporation.

Options are granted by either the Board or the Compensation Committee of the Corporation (the “**Compensation Committee**”). In monitoring or adjusting the option allotments, the Board or the Compensation Committee, as the case may be, takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the Named Executive Officers. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board or the Compensation Committee will make these determinations subject to and in accordance with the provisions of the Stock Option Plan.

Compensation of Directors

The Compensation Committee will recommend how much, if any, cash compensation will be paid to directors for services rendered by directors, in such capacity, to the Corporation. The directors of the Corporation may be paid cash compensation commensurate with the prevailing level of compensation for directors in the same industry in which the Corporation operates. Beginning in fiscal 2015, the Corporation has the discretion to compensate directors for services rendered by directors in cash or a combination of cash and Common Shares. The number of Common Shares issued to a director will not exceed 50% of the cash compensation to which the director is entitled. Notwithstanding the foregoing, it is currently anticipated that directors will be primarily compensated for their services as directors through the granting of stock options in such amounts and upon such terms as may be approved by the Compensation Committee from time to time. No director fees were paid in Common Shares in 2016.

Named Executive Officers who also act as directors of the Corporation will not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such Named Executive Officers in their capacity as executive officers.

Compensation Risk

The Board and, as applicable, the Compensation Committee, considers and assesses the implications of risks associated with the Corporation’s compensation policies and practices and devotes such time and resources as is believed to be necessary in the circumstances. The Corporation’s practice of compensating its officers primarily through a mix of salary and stock options is designed to mitigate risk by: (i) ensuring that the Corporation retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of the Corporation and its shareholders. As at the date of this Circular, the Board had not identified risks arising from the Corporation’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Financial Instruments

Pursuant to the terms of the Corporation’s Insider Trading Policy, the Named Executive Officers and directors are prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities of the Corporation granted as compensation or held, directly or indirectly, by a Named Executive Officer or director.

Compensation Governance

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee and has reviewed and approved the Compensation Committee’s Charter. The Compensation Committee is composed of Bill Koutsouras, David Laing and

Anthony Clements. Each member of the Compensation Committee is independent as such term is defined in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

The Compensation Committee meets on compensation matters as and when required with respect to executive compensation. The primary goal of the Compensation Committee as it relates to compensation matters is to ensure that the compensation provided to the Named Executive Officers and the Corporation’s other executive officers is determined with regard to the Corporation’s business strategies and objectives, such that the financial interest of the executive officers is aligned with the financial interest of shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Corporation’s compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies, as described under “Particulars of Matters to be Acted Upon - Election of Directors” in this Circular.

Executive Compensation-Related Fees

In 2015 and 2016, neither the Board nor the Compensation Committee retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Corporation’s executive officers’ or directors’ compensation.

2. Appointment of Auditor

Management proposes to nominate Davidson & Company LLP, Chartered Accountants, which firm has been auditor of the Corporation since 2010, as auditor of the Corporation to hold office until the next annual meeting of Shareholders.

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF DAVIDSON & COMPANY LLP, CHARTERED ACCOUNTANTS, AS AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

3. Approval of Stock Option Plan

Summary of Stock Option Plan

The policies of the Exchange provide that the Board may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers, employees, management company employees and consultants of the Corporation and its Affiliates, non-transferable options to purchase Common Shares for a period of up to ten years from the date of grant, provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares at the date of the grant.

The purpose of the incentive stock option plan (the “**Plan**”) established by the Corporation, pursuant to which the Corporation may grant incentive stock options, is to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to obtain and retain key individuals. The Plan provides an incentive for and encourages ownership of the Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Common Shares. Pursuant to the Plan, the maximum number of Common Shares reserved for issuance in any 12 month period to any one optionee other than a consultant may not exceed 5% of the issued and outstanding Common Shares at the date of the grant. The maximum number of Common Shares reserved for issuance in any 12 month period to any consultant may not exceed 2% of the issued and outstanding Common Shares at the date of the grant and the maximum number of Common Shares reserved for issuance in any 12 month period to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding number of Common Shares at the date of the grant. Incentive stock options may be exercised until the earlier of: (a) the expiry time of such option; and (b) 90 days (or such other period as may be determined by the Board, provided such period is not more than one year) following the date the optionee ceases to be a director, officer or employee of the Corporation or its Affiliates or a consultant or a management company employee, provided that if the cessation of such position or arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option. Notwithstanding the foregoing, in the event of termination for cause, all options held by such terminated optionee will be cancelled immediately. In the term of any option expires within or immediately following a “blackout period” imposed by the Corporation, the option shall expire on the date that is ten business days following the end of such blackout period. In the event that the Corporation becomes listed on the Toronto Stock Exchange, the Plan provides that the Board may grant options which allow an optionee to elect to exercise its option on a “cashless basis”, whereby the optionee, instead of making a cash payment for the aggregate exercise price, shall be entitled to be issued such number of Common Shares equal to the number which results when: (i) the difference between the aggregate Fair Market Value of the Common Shares underlying the option and the aggregate exercise price of such option is divided by (ii) the Fair Market Value of each Common Share. “Fair Market Value” as defined in the Plan means the closing price as reported by the Toronto Stock Exchange (in the event that the Corporation becomes listed on the Toronto Stock Exchange) on the last trading day immediately preceding the exercise date. Options may be granted with a maximum expiry term of 10 years. The Plan contains a detailed amending provision that sets out the circumstances where Exchange and Shareholder approval will be required and those circumstances where Exchange and Shareholder approval will not be required.

As at June 21, 2017, a total of 16,275,000 Common Shares were issuable under the Plan, representing 8.86% of the issued and outstanding Common Shares.

Approval of the Plan

As the Plan provides for a rolling maximum number of Common Shares which may be issuable upon the exercise of options granted under the Plan, Exchange Policy 4.4 requires that the Plan receive shareholder approval each year at the annual shareholders’ meeting. Accordingly, Shareholders will be asked to consider and, if thought appropriate, pass an ordinary resolution approving the Plan. A copy of the Plan is attached as Schedule “C” to this Circular.

The Board has unanimously approved the Plan and recommends that Shareholders vote FOR the resolution regarding the Plan. An affirmative vote of a majority of the votes cast at the Meeting is sufficient to pass the resolution approving the resolution regarding the Plan.

The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

“WHEREAS the policies of the TSX Venture Exchange require annual shareholder approval for the continuation of the rolling stock option plan of the Corporation (the **“Plan”**);

BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. the Plan, in the form attached as Schedule “C” to the management information circular of the Corporation dated June 21, 2017, is hereby authorized and approved; and
2. any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual’s discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE PLAN.

4. Approval of Control Persons

On December 9, 2016, the Corporation closed a non-brokered private placement (the **“Private Placement”**) of 70,725,001 units (the **“Units”**) at a price of \$0.065 per Unit for aggregate gross proceeds of \$4,597,125. Each Unit consisted of one Common Share and one common share purchase warrant (each a **“Warrant”**) at an exercise price of \$0.08 for a period of 5 years from the closing date of the Private Placement. Lead orders in the Private Placement came from existing shareholders of the Corporation, including OU Hektik and OU Moonrider.

OU Hektik and OU Moonrider are “insiders”, and “related parties” (as such terms are defined in applicable securities laws). Pursuant to the TSXV Corporate Finance Manual Policy 4.1 – *Private Placements*, if the issuance of shares in a private placement and any shares that may be issued on conversion of convertible securities will result in, or is part of a series of transactions that will result in, the creation of a new Control Person (as defined below), the issuer must obtain disinterested shareholder approval of the private placement.

A “Control Person” means any company or individual that holds or is one of a combination of persons that holds a sufficient number of any of the securities of an issuer so as to affect materially the control of that issuer, or that holds more than 20% of the outstanding voting shares of an issuer, except where there is evidence showing that the holder of those securities does not materially affect the control of the issuer.

Following the completion of the Private Placement, OU Hektik held 36,673,077 Common Shares, representing approximately 19.97% of the issued and outstanding Common Shares, plus the right to acquire

an additional 27,423,077 Common Shares upon exercise of Warrants issued pursuant to the Private Placement and warrants previously held. Assuming the exercise of all warrants held, OU Hektik will hold 64,096,154 Common Shares or 30.37% of the issued and outstanding Common Shares, such that OU Hektik would be considered a Control Person pursuant to the policies of the TSXV and applicable securities legislation. Therefore, the Corporation is seeking disinterested shareholder approval of the creation of OU Hektik as a new Control Person of the Corporation.

The complete text of the resolutions which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, are as follows:

A. “BE IT RESOLVED, as an ordinary resolution of the disinterested shareholders of the Corporation, that::

1. the creation of a new Control Person of the Corporation, as such term is defined in the policies of the TSX Venture Exchange, being OU Hektik, (as defined and as more particularly described in the Corporation’s management information circular dated June 21, 2017) is hereby authorized and approved; and
2. any officer or director of the Corporation be and is hereby authorized and directed for and on behalf the Corporation (whether under its corporate seal or otherwise) to execute and deliver all such further agreements, documents and instruments and do all such other acts and things as such director or officer may determine to be necessary or advisable for the purposes of giving full effect to the provisions of this resolution, the execution and delivery by such director or officer of any such agreement, document or instrument or the doing of any such act or things being conclusive evidence of such determination.

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION AUTHORIZING THE CREATION OF OU HEKTIK AS A NEW CONTROL PERSON IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

Following the completion of the Private Placement, OU Moonrider held 36,221,154 Common Shares, representing approximately 19.72% of the issued and outstanding Common Shares, plus the right to acquire an additional 23,346,154 Common Shares upon exercise of Warrants issued pursuant to the Private Placement and warrants previously held. AUDIT COMMITTEE CHARTER

(Implemented pursuant to National Instrument 52-110 – *Audit Committees*)

National Instrument 52-110 – *Audit Committees* (the “**Instrument**”) relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Corporation. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Corporation wherein management solicits proxies from the security holders of the Corporation for the purpose of electing directors to the board of directors. The Corporation, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.

This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Committee in the oversight of the financial reporting process of the Corporation. The Board shall ensure that Participants under the Plan are eligible to participate under the Plan, and, if required by the Exchange, shall represent and confirm that the Participant is a bona fide employee, consultant or management company employee (as defined in the policies of the Exchange).

3.2 The Board may, from time to time, adopt such rules and regulations for administering the Plan as it may deem proper and in the best interests of the Corporation and may, subject to applicable law, delegate its powers hereunder to administer the Plan to a committee of the Board (the “**Committee**”). The Committee shall be comprised of two or more members of the Board who shall serve at the pleasure of the Board. Vacancies occurring on the Committee shall be filled by the Board.

3.3 The Committee (or the Board where the Committee has not been constituted) shall have the power to delegate to any member of the Board or officer so designated (the “**Administrator**”), the power to determine which Participants are to be granted Options and to grant such Options, the number of Common Shares purchasable under each Option, the Option Price and the time or times when and the manner in which Options are exercisable, and the Administrator shall make such determinations in accordance with the provisions of this Plan and with applicable securities and stock exchange regulatory requirements, subject to final approval by the Committee or Board.

4. Granting of Option

4.1 Participants may be granted Options from time to time. The grant of Options will be subject to the conditions contained herein and may be subject to additional conditions determined by the Board from time to time. Each Option granted hereunder shall be evidenced by an agreement in writing, signed on behalf of the Corporation and by the Participant, in such form as the Board shall approve from time to time. Each such agreement shall recite that it is subject to the provisions of this Plan.

4.2 The aggregate number of Common Shares of the Corporation allocated and made available to be granted to Participants under the Plan shall not exceed 10% of the issued and outstanding Common Shares of the Corporation as at the date of grant (on a non-diluted basis). Any issuance of Common Shares from treasury pursuant to the exercise of Options shall automatically replenish the number of Common Shares available for Option grants under the Plan. Common Shares in respect of which Options are cancelled or not exercised prior to expiry, for any reason, shall be available for subsequent Option grants under the Plan. No fractional shares may be purchased or issued hereunder.

4.3 The Corporation shall at all times, during the term of the Plan, reserve and keep available such number of Common Shares as will be sufficient to satisfy the requirements of the Plan.

4.4 Any grant of Options under the Plan shall be subject to the following restrictions:

- (a) the aggregate number of Common Shares reserved for issuance pursuant to Options granted to any one Participant, other than a Consultant, in any 12 month period may not exceed 5% of the Corporation’s total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;
- (b) the aggregate number of Common Shares issuable pursuant to Options granted to Insiders pursuant to the Plan and other security based compensation arrangements may not exceed 10% of the Corporation’s total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;
- (c) the aggregate number of Common Shares issued to Insiders pursuant to the Plan and other security based compensation arrangements in any 12 month period may not exceed 10% of the Corporation’s total issued and outstanding Common Shares, unless disinterested shareholder approval is obtained;

- (d) no more than 2% of the total issued and outstanding Common Shares at the time of grant may be granted to any one Consultant in any 12 month period; and
- (e) no more than an aggregate of 2% of the total issued and outstanding Common Shares at the time of grant may be granted to all persons engaged to conduct Investor Relations Activities in any 12 month period.

4.5 Provided that the Corporation is listed on the Toronto Stock Exchange (the “TSX”) and is in compliance with applicable TSX requirements, the Board may grant Options which allow a Participant to elect to exercise its Option on a “cashless basis”, whereby the Participant, instead of making a cash payment for the aggregate exercise price, shall be entitled to be issued such number of Common Shares equal to the number which results when: (i) the difference between the aggregate Fair Market Value of the Common Shares underlying the Option and the aggregate exercise price of such Option is divided by (ii) the Fair Market Value of each Common Share. For greater certainty, the Options may not be exercised on a “cashless basis” while the Common Shares are listed on the Exchange.

4.6 All Options granted pursuant to this Plan shall be subject to rules and policies of the Exchange and any other regulatory body having jurisdiction.

4.7 A Participant who has been granted an Option may, if otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional Option if the Board so determines.

5. Option Price

5.1 Subject to applicable Exchange approval, the Option Price shall be fixed by the Board at the time the Option is granted to a Participant. In no event shall the price be less than the Discounted Market Price (as defined in the policies of the Exchange). If a press release fixing the price is not issued, the Discounted Market Price is the closing price per Common Share on the Exchange on the last trading day preceding the date of grant on which there was a closing price (less the applicable discount) or, if the Common Shares are not listed on any stock exchange, a price determined by the Board; provided that, if the Board, in its sole discretion, determines that the closing price on the last trading day preceding the date of grant would not be representative of the market price of the Common Shares, then the Board may base the price on the greater of the closing price and the weighted average price per share for the Common Shares for five (5) consecutive trading days ending on the last trading day preceding the date of grant on which there was a closing price on the Exchange. The weighted average price shall be determined by dividing the aggregate sale price of all Common Shares sold on the Exchange during the said five (5) consecutive trading days, by the total number of Common Shares so sold.

5.2 Once the Option Price has been determined by the Board, accepted by the Exchange and the Option has been granted, if the Optionee is an Insider, the Option Price may only be reduced if disinterested shareholder approval is obtained; provided that such disinterested shareholder approval is then a requirement of the Exchange or other regulatory body having jurisdiction.

6. Term of Option

6.1 The term of the Option shall be a period of time fixed by the Board, not to exceed ten years from the date of grant. Unless the Board determines otherwise, Options shall be exercisable in whole or in part at any time during this period in accordance with such vesting provisions, conditions or limitations (including applicable hold periods) as are herein contained or as the Board may from time to time impose, or as may be required by the Exchange or under applicable securities law.

6.2 Each Option and all rights thereunder shall be expressed to expire at the Expiry Time, but shall be subject to earlier termination in accordance with Section 11 hereof.

6.3 Subject to any specific requirements of the Exchange, the Board shall determine the vesting period or periods within the Option term, during which a Participant may exercise an Option or a portion thereof. Any Option granted to a Participant providing Investor Relations Activities must vest in stages over a period of not less than 12 months with no more than $\frac{1}{4}$ of the Options vesting in any three month period.

6.4 In addition to any resale restriction under securities laws, an Option may be subject to a four month Exchange hold period commencing on the date the Option is granted.

6.5 Except in the case of a Participant's Option that terminates pursuant to Section 11.3 below, in the event that the term of any Option expires within or immediately following a "blackout period" imposed by the Corporation, the Option shall expire on the date (the "**Blackout Expiration Date**") that is ten Business Days following the end of such blackout period. The Blackout Expiration Date shall not be subject to the discretion of the Board.

7. Exercise of Option

7.1 Subject to the provisions of the Plan and the terms of any stock option agreement, an Option or a portion thereof may be exercised, from time to time, by delivery of the Exercise Notice to the Corporation's principal office in Toronto, Ontario. The Exercise Notice shall state the intention of the Participant or the Participant's legal personal representative to exercise the said Option or a portion thereof and specify the number of Common Shares in respect of which the Option is then being exercised, and shall be accompanied by the full purchase price of the Common Shares which are the subject of the exercise. Such Exercise Notice shall contain the Participant's undertaking to comply, to the satisfaction of the Corporation, with all applicable requirements of the Exchange and any applicable regulatory authorities.

8. Adjustments in Shares

8.1 If the outstanding shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation through a re-organization, plan of arrangement, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board, in its discretion, in the number or kind of shares optioned and the exercise price per share with respect to: (a) previously granted and unexercised Options or portions thereof; and (b) Options which may be granted subsequent to any such change in the Corporation's capital.

8.2 Determinations by the Board as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. The Corporation shall not be obligated to issue fractional securities in satisfaction of any of its obligations hereunder.

9. Accelerated Vesting

9.1 In the event that certain events such as a liquidation or dissolution of the Corporation or a re-organization, plan of arrangement, merger or consolidation of the Corporation with one or more corporations, as a result of which the Corporation is not the surviving corporation, or the sale by the Corporation of all or substantially all of the property and assets of the Corporation to another corporation prior to the Expiry Time, are proposed or contemplated, the Board may, notwithstanding the terms of this Plan or any stock option agreements issued hereunder, exercise its discretion, by way of resolution, to

permit accelerated vesting of Options on such terms as the Board sees fit at that time. If the Board, in its sole discretion, determines that the Common Shares subject to any Option granted hereunder shall vest on an accelerated basis, all Participants entitled to exercise an unexercised portion of Options then outstanding shall have the right at such time, upon written notice being given by the Corporation, to exercise such Options to the extent specified and permitted by the Board and within the time period specified by the Board, which shall not extend past the Expiry Time. No acceleration of the vesting provisions on Options granted to Participants providing Investor Relations Activities is permitted without prior acceptance of the TSX Venture Exchange.

9.2 An Option may provide that whenever the Corporation's shareholders receive a Take-Over Bid and the Corporation supports this bid, pursuant to which the "offeror" would, as a result of such Take-Over Bid being successful, beneficially own in excess of 50% of the outstanding Common Shares, the Participant may, subject to 9.1, above, exercise the Acceleration Right. The Acceleration Right shall commence on the date of the mailing of the Board circular recommending acceptance of the Take-Over Bid and end on the earlier of:

- (a) the Expiry Time; and
- (b) (i) in the event the Take-Over Bid is unsuccessful, the expiry date of the Take-Over Bid; and (ii) in the event the Take-Over Bid is successful, the tenth (10th) day following the expiry date of the Take-Over Bid.

9.3 At the time of the termination of the Acceleration Right, the original vesting terms of the Options shall be reinstated with respect to the Common Shares issuable thereunder which were not acquired by the holders of such Options pursuant to the terms thereof. Notwithstanding the foregoing, the Acceleration Right may be extended for such longer period as the Board may resolve.

9.4 Provided that the Corporation is listed on the TSX and is in compliance with applicable TSX requirements, the Corporation may satisfy any obligations to a Participant hereunder by paying to the Participant in cash the difference between the exercise price of all unexercised Options granted hereunder and the Fair Market Value of the Common Shares to which the Participant would be entitled upon exercise of all unexercised Options, regardless of whether all conditions of exercise relating to continuous employment have been satisfied.

10. Decisions of the Board

All decisions and interpretations of the Board respecting the Plan or Options granted thereunder shall be conclusive and binding on the Corporation and the Participants and their respective legal personal representatives and on all directors, officers, employees and consultants of the Corporation who are eligible to participate under the Plan.

11. Ceasing to be a Director, Officer, Employee or Consultant

11.1 Subject to the terms of the applicable stock option agreements and subject to Section 11.4 hereof, in the event of the Participant ceasing to be a director, officer, employee or consultant of the Corporation or a Subsidiary for any reason other than death, including the resignation or retirement of the Participant or the termination by the Corporation or a Subsidiary of the employment of the Participant, prior to the Expiry Time, such Option (including an Option held by a Participant's Personal Holding Company) may be exercised as to such Common Shares in respect of which the Option has not previously been exercised (and as the Participant would have been entitled to exercise) at any time up to and including (but not after) the earlier of: (a) the Expiry Time; and (b) a date that is ninety (90) days (or such other period as

may be determined by the Board, provided that such period is not more than one year) following the effective date of such resignation or retirement or a date that is ninety (90) days (or such other period as may be determined by the Board, provided that such period is not more than one year) following the date notice of termination of employment is given by the Corporation or a Subsidiary, whether such termination is with or without reasonable notice, and subject to such shorter period as may be otherwise specified in the stock option agreement, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.2 In consideration of the Option hereby granted, in the event of the resignation or retirement of the Participant or the termination of employment by the Corporation without cause, the Participant hereby covenants not to sue the Corporation for damages arising from the loss of rights granted hereunder and releases the Corporation from any damages.

11.3 Notwithstanding the foregoing, in the event of termination for cause, such Option (including an Option held by a Participant's Personal Holding Company) shall expire and terminate immediately at the time of delivery of notice of termination of employment for cause to the Participant by the Corporation or a Subsidiary and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised.

11.4 In the event of the death of a Participant on or prior to the Expiry Time, such Option (including an Option held by a Participant's Personal Holding Company) may be exercised as to such of the Common Shares in respect of which such Option has not previously been exercised (and as the Participant would have been entitled to purchase), by the legal personal representatives of the Participant at any time up to and including (but not after) a date one (1) year from the date of death of the Participant, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.5 Options shall not be affected by any change of employment of the Participant where the Participant continues to be employed by the Corporation or any of its Subsidiaries.

12. Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or to the extent, if any, permitted by the Exchange.

13. Amendment or Discontinuance of Plan

- 13.1
- (a) The approval of the Board and the requisite approval from the Exchange and the shareholders shall be required for any of the following amendments to be made to the Plan:
 - (i) any increase to the fixed maximum percentage of Common Shares issuable under the Plan;
 - (ii) a reduction in the exercise price or purchase price of an Option (other than for standard anti-dilution purposes) held by or benefiting an Insider;
 - (iii) an increase in the maximum number of Common Shares that may be issued to Insiders within any one year period or that are issuable to Insiders at any time;

- (iv) an extension of the term of an Option held by or benefiting an Insider;
 - (v) any change to the definition of "Participants" which would have the potential of broadening or increasing Insider participation;
 - (vi) the addition of any form of financial assistance;
 - (vii) any amendment to a financial assistance provision which is more favourable to Participants;
 - (viii) provided that the Corporation is listed on the TSX, the addition of a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve;
 - (ix) the addition of a deferred or restricted share unit or any other provision which results in Participants receiving securities while no cash consideration is received by the Corporation; and
 - (x) any other amendments that may lead to significant or unreasonable dilution in the Corporation's outstanding securities or may provide additional benefits to Participants, especially Insiders, at the expense of the Corporation and its existing shareholders.
- (b) The Board may, without shareholder approval but subject to receipt of requisite approval as required by the Exchange, in its sole discretion make all other amendments to the Plan that are not of the type contemplated in subsection 13.1 (a) above including, without limitation:
- (i) amendments of a housekeeping nature;
 - (ii) a change to the vesting provisions of an Option or the Plan;
 - (iii) a change to the termination provisions of an Option or the Plan which does not entail an extension beyond the original expiry date, except as contemplated in Section 6.5 above; and
 - (iv) the addition of a cashless exercise feature, payable in cash or securities, which provides for a full deduction of the number of underlying securities from the Plan reserve.

14. Participants' Rights

14.1 A Participant shall not have any rights as a shareholder of the Corporation until the issuance of a certificate for Common Shares upon the exercise of an Option or a portion thereof, and then only with respect to the Common Shares represented by such certificate or certificates.

14.2 Nothing in the Plan or any Option shall confer upon any Participant any rights to continue in the employ of the Corporation or any Subsidiary or affect in any way the right of the Corporation or any such Subsidiary to terminate the employment of the Participant at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any such Subsidiary to extend the employment of any Participant beyond the time such

Participant would normally retire pursuant to the provisions of any present or future retirement plan of the Corporation or any Subsidiary, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Subsidiary.

15. Approvals

15.1 The Plan shall be subject, if applicable, to the approval of the Exchange or other regulatory body having jurisdiction at that time and, if so required thereby, to the approval of the shareholders of the Corporation.

15.2 Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless such approval and acceptance is given.

16. Government Regulation

16.1 The Corporation's obligation to issue and deliver Common Shares under any Option is subject to:

- (a) the satisfaction of all requirements under applicable securities laws in respect thereof and obtaining all regulatory approvals as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and
- (c) the receipt from the Participant of such representations, warranties, agreements and undertakings as to future dealings in such Common Shares as the Corporation determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

16.2 In this regard, the Corporation shall take all reasonable steps to obtain such approvals and registrations as may be necessary for the issuance of such Common Shares and for the listing of such Common Shares on the Exchange, in compliance with applicable securities laws. If any shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such shares shall terminate and the Option Price paid to the Corporation will be returned to the Participant.

17. Costs

The Corporation shall pay all costs of administering the Plan.

18. Interpretation

This Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

19. Compliance with Applicable Law

If any provision of the Plan or any Option contravenes any law or any order, policy, bylaw or regulation of any regulatory body or the Exchange, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
